I would highly recommend AccountingCoach as a good resource for all levels of users! -Carolyn C. Thank you AccountingCoach, you have helped me over the last 8 years of study and guided me to my dream job of becoming an accountant. Thanks to Mr Harold Averkamp and his dedicated team for sharing their deep insight. I don't have enough words to express how great the AccountingCoach is. AccountingCoach has helped me do that. If you have any need for assistance with all things accounting, AccountingCoach should be your first stop. Definitely the best go-to place for accountants like me. -Donald R. In my roles as a business owner, member of senior management teams and as a business consultant, I frequently deal with accounting-related issues. Thank you. As a European I studied the accounting system used in my particular country. -Gillian L. The PRO membership allows me to provide great explanations to my coworkers who are not versed in accounting without me spending a lot of time finding examples they may understand. I have been complimented on my business practices by several people. I am an experienced businessman now semi-retired and I guest lecture to senior managers in major UK companies and at academic institutions including some internationally famous business schools on topics such as Business Performance Measurement; Business Decision-Taking; and Assessing and Managing Risk. I can definitely recommend this site if you need to refresh yourself with accounting, or even just to help you with your study if you're still in the process of getting your degree. The lifetime PRO membership is indeed one of the smartest purchases I've ever made. It was a wonderful tool and I found it easy to use and contained all the information I would need to get familiar with the topic, all while not having to go back to my college books or my CPA review materials. -Tammy Becoming a member of AccountingCoach was hands down a great decision for me. I signed up for PRO and it got even better. Very educational, accurate and reliable. Although I've been in bookkeeping many years now, there is always something for me to learn on AccountingCoach.com and I devote several hours every week to getting on the site to learn something new. I always wondered how accounting was done in the U.S. AccountingCoach has taught me everything I wanted to know. Whenever I come across a situation I have not faced before I sign in, read up on the related data, of which there is plenty, and solve another problem. Recently, I used the online exams extensively to study for a city accounting job; with great success. -Therly F. I highly recommend it to everyone wanting to understand accounting in more depth. -Manny S. Basically, ridiculous. Going PRO is one of the best investments I've made. I bought a small Accounting, Bookkeeping & Payroll business and had very little knowledge of accounting principles and felt I was way over my head. Right after graduating from university and getting my bachelor's degree in accountancy, I didn't manage to land a job in the accounting field, instead I got a job in banking. I am a self-taught bookkeeper thanks to AccountingCoach. AccountingCoach PRO has made it possible for me to further my career, making a higher income. Although software programs are great at what they do and are "easy" for the user, the double entry accounting method is still occurring in the background. I was looking online for free training or help with just the basics. AccountingCoach is pleasantly user-friendly and a great study tool for senior citizens and those who study part time because of their busy work schedules. It has helped me explain difficult accounting concepts to many of my clients. I have to turn clients away, because I simply do not have the time to assist them. -Amber A. I came across AccountingCoach some years ago and since then it has been my go-to solution for all and any problems or issues that arise in my day-to-day work. I was advised to track my expenses but I had no background in accounting. I was on my own to figure out the rest. Keep up the good work. Thank you AccountingCoach!!! -Jennifer L. I am a Granny of 67 years old, a South African National, studying for an undergraduate degree in Accounting. -Pedro R. AccountingCoach is a simply fantastic self-learning source. The amount of information you can get from this site, business forms, dictionaries, flashcards, videos... My clients are always impressed with the results I provide. I wish I had been a student of the founder of the site. It helped me put the 'why' behind the terminology used. I would like to say thank you very much for your support. I am so impressed by AccountingCoach. I simply can't recommend it enough. It has helped me stay up-to-date with my knowledge and understanding of modern-day accounting concepts, and as a result, better digest and dissect financial statements given to me by my business clients. I was sent textbooks and a workbook in the mail and that was it. -Isaiah M. One of the businesses I do bookkeeping & accounting for was recently audited. I knew if I bumped up my skills, I would become eligible for a bookkeeping position locally. Even those who do occasional bookkeeping will definitely be satisfied with any membership purchase. Thank you so much for making this available! -Pam P. It's the best source on the web! -Kathleen F. The Balance Sheets, Statement of Cash Flows, and Income Statement all have been explained very beautifully. -Diane J. To keep my skills sharp! Plus, it's fun! It's a challenge to keep my lectures interesting, and AccountingCoach helps tremendously. It was also a great boost to see how much knowledge I already had. I can confidently say to people who are new to this field, or who are trying for a refresher course like me, this is THE WEBSITE for you. -Enrique E. I was looking out for an online accounting course after a gap of 25 years. Every tool like the accounting dictionary, crossword puzzles, word scrambles (I love it!) and so on explains difficult technical words with the most proper and simplest words Visual learning programs and Q&A archives are especially effective for non-native English speakers to understand current and practical usage methods of accounting terms. After being able to quickly learn, I decided to go PRO to have access to additional learning tools. As I move into the next phase of my work life and career, AccountingCoach PRO will be an essential tool as I move from employee to business owner. You guys are the best!! -Licia B. -Karam T. The lifetime membership is worth the cost. Research & ArticlesAll CategoriesFor VendorsAbout UsExplore Accounting SoftwareOverviewProductsGuideChat We now offer 10 Certificates of Achievement for Introductory Accounting and Bookkeeping. I love, love, love your website, it has helped me to succeed in all the bookkeeping I have done off and on throughout the years. Being able to consult AccountingCoach on a specific topic relating to our books has been a tremendous help to me. I very much appreciate your service! -Brian P. Even South African University students who are presently facing funding challenges in South Africa can use AccountingCoach as a study tool. I have found AccountingCoach to be an excellent way to do this and fantastic value for money. I am a student of Accounting at George Mason University in Virginia. I have been using it since the first day I became a member and it's incredibly good. Coming across AccountingCoach was the best gift I ever received throughout my education pursuits. It has helped me tremendously to brush up on knowledge and information about accounting that I don't have time to go to school for. I recommend AccountingCoach PRO to students pursuing higher level accounting after high school and to anyone teaching accounting classes--the money spent on this resource will be one of the best investments in professional development you'll make in your career. I even do the crossword puzzles, word scrambles, etc. It has helped with all aspects of accounting from the very beginning to the very end. Getting a lifetime PRO membership at AccountingCoach was one of the best investments I have ever made in the field of accounting and finance. I think it was a great investment and I love knowing that when I second-guess myself I can easily log in and review the information needed. I came across many tutorials online. -Samih B. I am a small business accountant and tax preparer. Click here to learn more. Page 2 I stumbled across the website for AccountingCoach, and I am glad I did. AccountingCoach PRO membership has assisted me in keeping my accounting and bookkeeping skills sharp over the years. I have always encouraged my students to join the site. So I decided to give what I was most interested in to begin with another shot. Being a member of AccountingCoach PRO has helped me tremendously. From the moment I found AccountingCoach, I recognize the value, quality and effort of your work. I'm able to do more exercises and gain extra studying tools and more detailed explanations to ensure my understanding of the accounting process. I also really appreciate that the administrator of the website tries to improve and add more content to the site instead of stagnating after getting my money. Thankfully I discovered this website, which explains the basics of what you need to know about accounting in a very concise and rather layman way. A lot of my clients are do-it-yourself bookkeepers for their small business. My membership continues to be valid after all these years. The lifetime unlimited access was one of the best investments I have ever made a few years ago! Makes learning fun and I would suggest this to others in a heartbeat, business owners, employees won't be disappointed. I always find up-to date the financial and accounting information needed. The most comprehensive tutorials were those of AccountingCoach. AccountingCoach helped me during the times I had trouble remembering accounting concepts. The extraordinarily clear and engaging explanations make self-study possible for anyone with an interest in accounting. The quizzes, question and answer pages, the entire website is so user friendly and I know it will see me through to the completion of my degree. After only a few weeks on the website I had gained the skills and confidence I needed to become competent at and comfortable with my job. I confess I was scared because it has been awhile since I took accounting classes. There's no limit to how many times you can come back and review it, because this isn't a paid semester for college, but a life-time membership! It's incredible - no rush, no hassle, no stress, no '30-days membership' offer, no pre-determined way to take a course. I can't say enough about how thorough and detailed the website is with lessons, quizzes, tests, tons of downloads, guides, and handy cheat sheets. I have recommended it to friends & family and I will continue to do so. The way it explains various accounting concepts in such a simple and self explanatory manner is really commendable. I can't say enough good things about AccountingCoach. After receiving and reviewing the material with AccountingCoach PRO I can honestly say this is the best product I have ever purchased. While I have a solid grasp of a wide range of accounting practices and methods, I still find that there are times when I want to refresh or investigate aspects of accounting that I either seldom visit or have not had the opportunity to work with. I particularly like the clear and concise way the materials are presented so I can quickly get results. I am so glad that I discovered you and look forward to referring to this website a lot in the future...keep up the great work. The PRO membership is great ROI. -Jewel B. If I email them with questions about my membership or password or whatever else, they are always prompt to assist. I appreciate the in-depth explanations, concepts and even links to obtain additional information, especially when going through an on-the-job crunch period with close deadlines. Very soon I enrolled myself as a PRO member. I've learned a lot about the terminology used and the differences between accounting methods from the other side of the pond. AccountingCoach has been a God-send to me for years! When I got thrown into a bookkeeping position many years ago I floundered terribly until I stumbled upon AccountingCoach.com. It has become my new limb. But to maintain high credibility when delivering my courses I need to be aware of and keep up to date with certain key international accounting standards and current accounting definitions and practices. AccountingCoach has become my accounting reference guide for everything and I'm sure anyone who starts to dig a little bit will find this site more than useful. You are the best. I felt as though it was made just for me. As a high school accounting teacher I have used the resources on AccountingCoach PRO to enhance my understanding of accounting concepts and make my explanation of concepts clearer for my students. I've been an active user since around 2008, and over the years I've realized it's the only accounting resource I need. Thank you for being my reference book as I complete my accounting degree. Whenever I had doubts I could easily access the website and find my answers quick and I love the videos. You learn at your own pace, the topics you decide, whatever you need help with, and it's all there for you, available 24/7. After 1 year, I know enough about accounting to manage my finances and grow my wealth. AccountingCoach has helped tremendously while I was studying for accounting and I strongly believe that my grade would not have been in the 90's had it not been for the AccountingCoach. I know it made a difference! I am a Small Business Development Center adviser and workshop presenter and I provide the AccountingCoach website to my clients and workshop attendees to help them learn accounting. Thank you AccountingCoach! -Anonymous I discovered AccountingCoach while I was teaching an Accounting 1 class at the college I work at and provided the website to my students to supplement their learning experience. It is affordably priced and well worth investing in. Thank you AccountingCoach! -Alex L. Thank you for this very valuable tool which continues to evolve and grow. The AccountingCoach is the best source I know of that can walk me through the basics in a way that gives me confidence. -Leonard L. I found your website some time ago, and I have been a PRO member ever since. It's always available 24/7. -Cheryl N. I have had so many issues resolved simply by referring to AccountingCoach PRO when it comes to doing my everyday bookkeeping work. Thank you so much! -Cynthia A. -Manch K. -Desire S. -Crystal C. AccountingCoach PRO is an exceptional service. It turned out to be a lot more than that! In its clear, yet comprehensive manner, AccountingCoach provides foundational materials, sample exams, study notes, visual aids, and dictionary terms. It's not only a steal for the price, I even feel bad! What Harold and his staff have created is the terror of any institution that teaches accounting. I have been an accountant for many years and don't plan on going back to college at this point. I have a Bachelor's degree already. After a few website that did not help, I found AccountingCoach and signed up and it has helped me a great deal! I am not sure if my business would be as successful if I did not pick up the lessons so easily. -Joseph C. -Karen B. Those in large or small companies, business owners, and all levels of educational studies, will find AccountingCoach a great go-to source! -Pat W. -Ishino K. I've yet to find a fault, so keep it up, guys! -Jean C. I've answered and explained all the hard questions that I needed to get me where I am today and I certainly couldn't have done it without you! I will continue to use AccountingCoach PRO for the rest of my career. I have always enjoyed bookkeeping, but I have never been formally trained. To help them, I always direct them to AccountingCoach to learn the concepts and terms. I have used it all as a refresher course, as a study guide, and reference to my current client issues. Although I understand business finance well, I never trained as an accountant. I was interested in getting my finances under control. Best part? Accounting concepts and terms are not "easily" explained to a small business owner who doesn't understand why reports look the way they do. Thankfully, AccountingCoach helps me to not just refresh my mind on basic accounting terminology, but also helps me to understand new terminology in plain English. The price is very affordable. I would recommend AccountingCoach to anyone wanting to learn, or take a refresher course on accounting and bookkeeping. AccountingCoach really makes learning easy and interesting, which is hard to do when it comes to accounting. I value the content and the easy-to-grasp manner in which the material is always explained. Thank you AccountingCoach. I enrolled in an accounting course online. It not only provides all the essential material to succeed in learning accounting and finance, but also explains all the relevant details that make the difference when you need to understand the complexity of accounting systems. Thank you, AccountingCoach! -Denise C. Cannot boast enough about it. I had no experience in accounting or bookkeeping before completing this degree and understandably I was in over my head! All the way over in New Zealand I came across your website, subscribed, hoping I may learn even a couple of things and have ended up using your website as my main reference tool. There is always something new to learn and teach. When I realized I loved bookkeeping I decided to enhance my knowledge even further with a college accounting course, and I must say in all honesty, it paled in comparison to what I was learning on AccountingCoach.com. When those circumstances arise, I turn to AccountingCoach which I find covers not only a wide range of topics but usually in enough depth and detail that you can use it almost like a condensed primer on any given topic. To conclude, I want to thank AccountingCoach in general for the amazing product they run; you won't find anything this good, I believe, in the market. I have been using AccountingCoach in my bookkeeping business for a few years now and love it! There are times when I need an answer to some accounting situation that baffles me and always have been able to find the answers I need on your website. -Cheryl N. This is a rare company in that it is devoted not only to teaching accounting and bookkeeping in easy-to-understand terms, but also to exceptional customer service! Thank you AccountingCoach for your genuine approach to all you do! -Terri L. I found AccountingCoach online about 2 years ago. AccountingCoach is a great resource for small business people! -Ida C. -Sharon M. I do taxes for businesses. The membership pricing is very reasonable and the information is easy to understand and apply. I love AccountingCoach! They are very honorable as well. AccountingCoach actually not only helped me brush up on my knowledge, but has helped me pinpoint my strengths and weaknesses which allowed me to focus on those areas that I was lacking knowledge. Just want to let you know that I have learned so much from AccountingCoach PRO. The courses are set up for the beginner to the most advanced and is written in a very clear format. Thank you AccountingCoach! As an auditor, I frequently encounter government and private financial transactions that I vaguely remember from my college years. Ever since then my life has become uncomplicated and all these accounting books thrown out the window. I use my membership to review topics that I don't use very often and it has been one of the best investments I've made for my work and it costs less than my Accounting textbook! -John B. The very first visit to this site made me feel very comfortable. I too, purchased the lifetime membership because it is a valuable resource for them and for anyone desiring to learn and understand Accounting. I teach Accounting and this is the first website I give my students. -Peggy M. I highly recommend AccountingCoach to everyone. My bookkeeping business has benefited greatly. Thank you, AccountingCoach. The information and ease of finding the right accounting procedures to those instances has been an enormous help to me in my job. I think of AccountingCoach as my personal library where I can look up information on any aspect of my business. I'm a single mother of three. I knew I needed extra support. The value far exceeds the cost! -Wendi I currently teach Bookkeeping at one of the colleges in New York City. I'm glad to say that some have and they have really benefited from what AccountingCoach PRO has to offer. I will always keep the AccountingCoach in my favorites list even though I have completed my courses as I will no doubt make reference to it when I second-guess myself. You will get exposure to multiple topics, from simple common-sense things to complex and advanced accounting subjects. -Marcia S. As an economist working in corporate tax, I needed to learn how to interpret accounting data quickly in order to succeed in my job. I wanted to do proper record keeping and not just of expenses, but my wealth. Can't say enough good things about it. -David T. I started using AccountingCoach when I found myself unemployed and looking to brush up on my cost accounting skills. I happened to stumble upon it when I was checking for an explanation on impairment. I particularly like the clear and concise way the material is presented so I can quickly get results. For those who are looking to learn accounting, this is one of greatest accounting courses you'll ever find online. I have been a member of AccountingCoach for many years now. Thank you for creating such an amazing experience and giving me the confidence I needed to keep working towards my goal. -J.C. I registered for AccountingCoach PRO to help me with basic accounting information for some MBA coursework I am pursuing. Thank you Harold! -Mary B. Many times I read the material here before studying it in my accounting book. Truthfully, I've learned more through the AccountingCoach Pro than the college textbook and it cost sooo much less! It has been a life saver. This website's benefits have exceeded my expectations. I strongly believe that AccountingCoach is the best education program from a practical accounting point of view. It's a well-structured program, the most difficult accounting concepts have been explained in a very crystal clear fashion with beautiful real-life examples. Now that I am able to access the entire site like the seminars, exams, crosswords and many many more interesting ways to learn accounting, my knowledge in accounting has deepened. Living in a small tourist rural town, there are limited choices in the job market. A great idea to have it readily available for all of us managers and professionals that need to brush up on their accounting knowledge or learn to understand something like cash flow statements when prepping for a job interview. AccountingCoach makes accounting concepts and principles easy to understand and I have learned a great deal from using AccountingCoach in the last few years. I have been using AccountingCoach in my bookkeeping business for a few years now and love it! There are times when I need an answer to some accounting situation that baffles me and I have always been able to find the answers I need on your website. Thanks! -Crystal C. It truly is the best! I could not believe it! AccountingCoach helps me tremendously. Worth every penny! -Judith C. -Sumita P. Being an engineering student, with no past accounting background, AccountingCoach has been a great saviour in my MBA accounting module. Luckily, I came across AccountingCoach. It was difficult trying to match the course and workbook together to do the lessons and exercises and the explanations left too many gaps and questions. Well worth it. AccountingCoach has helped me a lot with my work as a manager. Going to college to learn accounting isn't an option for me. I run my own accounting, bookkeeping practice and I am still today amazed about the way they have simplified things! I love it! Job well done to the team at AccountingCoach! I am your biggest fan! Thanks so much. I am not an accountant, nor a bookkeeper, but I need to be aware of what's happening financially. He must have been a really wonderful professor!!! Thanks for putting all the work to create and maintain the site. I am now employed and the materials I studied helped me to prepare for questions I received in the interview process regarding topics I needed to brush up on. Thank you AccountingCoach for all that you have helped me with!!! Amazing site!! -Brenda L. I don't think I could have continued without it. Having 24/7 access to a well-organized set of materials on a wide range of topics on accounting and bookkeeping has been very valuable to me. Unfortunately, I wasn't feeling very confident in my ability and knowledge in accounting because there was a particularly long lapse of time where I wasn't exposed to accounting. Most of them, if not all, use bookkeeping software to keep track of their business. I am truly grateful to AccountingCoach who has not only been a lifeline, but has been a rescuer on numerous occasions. Thank you for the videos and cheat sheets, as I appreciate a great effort on your part to all of us that need to learn and revise their accounting and finance information and knowledge. Currently, I am taking Financial Accounting. I stumbled upon AccountingCoach in an internet search and from the little I was able to read, I gained a far better understanding than the college-level textbook I had been studying for months. Highly recommend it. - Tony C. While the pay was a little bit higher than what many other fresh graduates would get in the accounting field, I didn't particularly enjoy what I was doing. I recommend it to everyone. -Ray O. I have been in bookkeeping for over 16 years and all the training I had was from the CPA that I worked for.
